

SONG OF FAME (Music& Lyrics: Christian Lohr & Maya Singh)

I am in control
I am the one who wins although I fall
Keep getting up and up
'Cause I believe
Keep going never stop
Receive and give
That's how I live

Step by step
You make the rules, you play the game
Open up your eyes
You're in the hall of fame

Our song, our time
This victory so high
Forever we are strong
Come feel our song

Our song, today
This victory to stay
Forever we are strong
Come feel our song

Oh oh oh
oh oh oh oh oh
Song of fame (4x)

All the lights on us
We are the middle of the world, the buzz
We're getting up and up
'Cause we believe
Adventures never stop
Receive and give
That's how we live

Step by step
You make the rules, you play the game
Open up your eyes
You're in the hall of fame

Our song, our time
This victory so high
Forever we are strong
Come feel our song

Our song, today
This victory to stay
Forever we are strong
Come feel our song

Oh oh oh
oh oh oh oh oh
Song of fame (4x)
